Rural Housing Association Ltd 2 Killyclogher Road, Omagh, County Tyrone, BT79 0AX Financial Statements for the Year Ended 31 March 2018

## Report of the Board of Management

The Board present their report together with the audited financial statements for the year ended 31 March 2018.

## Principal activities

Rural Housing Association was registered under the Industrial and Provident Society Act (NI) 1969 on 2 March 1992. The Association is a registered non-profit making housing association with the Department for Communities providing housing accommodation for those in need and is recognised as a charity with The Charity Commission for Northern Ireland and has charitable status with HMRC.

#### **Business Review**

During the financial year the Association purchased 25 additional units of accommodation (2017: 12 units). Operating costs increased by £208,185 while the operating surplus increased to £935,634.

Interest payable was £621,597 resulting in an overall surplus for the financial year of £306,527 (2017: £451,567)

On the balance sheet housing properties at depreciated cost was £38m (2017: £35m)

Average staff numbers for the year are currently at 18 and are not anticipated to increase significantly during the incoming financial year.

#### Internal Controls Assurance

The Board acknowledges its overall responsibility for establishing and maintaining the whole system of internal control and for reviewing its effectiveness. The system of internal control is designed to manage, rather than eliminate, the risk of failure to achieve business objectives, and to provide reasonable, and not absolute, assurance against material misstatement or loss.

The process for identifying, evaluating and managing the significant risks faced by the Association is on going, has been in place throughout the period commencing 1 April 2017 up to the date of approval of the annual report and financial statements. Key elements of the control framework include:

- Board approved terms of reference and delegated authorities for Audit Risk and Governance and Technical Sub-committees;
- clearly defined management responsibilities for the identification, evaluation and control of significant risks;
- a Risk Register and Business Continuity Plan exists to help manage and mitigate these risks;
- robust strategic and business planning processes, with detailed financial budgets and forecasts;
- a formal governance framework detailing standing orders, cyclic reporting processes and relationships between the Board, Sub-committees, Senior Management Team and staff;
- formal recruitment, retention, training and development policies for all staff;
- established authorisation and appraisal procedures for all significant new development initiatives and commitments;
- regular reporting to the appropriate committee on key business objectives, targets and outcomes; and
- Board approved whistleblowing and fraud policies.

The Board cannot delegate ultimate responsibility for the system of internal control, but it can, and has delegated authority to the Audit Risk and Governance Sub-committee to regularly review the effectiveness of the system of internal control. The Board receives regular reports for the Audit Risk and Governance Sub-committee together with minutes of meetings. The Audit Risk and Governance Sub-committee has received the annual report of the internal auditor, and has reported its findings to the Board.

Rural Housing Association Ltd 2 Killyclogher Road, Omagh, County Tyrone, BT79 0AX Financial Statements for the Year Ended 31 March 2018

## Report of the Board of Management (continued)

## Statement of Board of Management Responsibilities

The Industrial and Provident Societies Act and registered housing association legislation require the members of the Board of Management to prepare financial statements for each financial year that give a true and fair view of the state of the Association's affairs and of its surplus or deficit for that period. In preparing these financial statements the Board is required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimated that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue to operate.

The members of the Board of Management are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the financial statements comply with the Industrial and Provident Societies Act (Northern Ireland) 1969 and the Registered Housing Associations (Accounting Requirements) Order (Northern Ireland) 1993. They have general responsibility for taking reasonable steps to safeguard the assets of the Association and to prevent and detect fraud and other irregularities.

#### Statement of Disclosure to Auditors

So far as each of the members of the Board of Management at the date of approval of these financial statements is aware:

- there is no relevant information of which the Association's auditor is unaware.
- they have taken all reasonable steps that they ought to have taken as members of the Board of Management in order to make themselves aware of all relevant audit information and to establish that the Association's auditor is aware of that information.

On behalf of the Board

Secretary

## Auditor's Report to the Members of Rural Housing Association

#### Opinion

We have audited the financial statements of Rural Housing Association Limited for the year ended 31 March 2018 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of changes in equity, the Statement of Cash Flows and the related notes to the financial statements, including a summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Provident Societies Act (Northern Ireland) 1969. Our audit work has been undertaken so that we might state to the Board's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of affairs of the Association at 31 March 2018 and of its surplus for the year ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
   and
- have been prepared in accordance with the Industrial and Provident Societies Act (Northern Ireland) 1969, the Housing (Northern Ireland) Order 1992, the Registered Housing Associations (Accounting Requirements) Order (Northern Ireland) 1993 and Statement of Recommended Practice 2014 Accounting by Registered Social Landlords.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the Board of Managements' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Board of Management have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other Information

The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. The Board of Management are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## Auditor's Report to the Members of Rural Housing Association cont'd

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Industrial and Provident Societies Act (Northern Ireland) 1969 requires us to report to you if, in our opinion:

- proper accounting records have not been kept by the association; or
- the financial statements are not in agreement with the accounting records and returns; or
- a satisfactory system of internal control over transactions has not been maintained; or
- we have not received all the information and explanations we require for our audit.

## Respective responsibilities of the Board of Management and Auditor

As described in the Report of the Board of Management on page 5 the Board of Management are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Management are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Ms U Colgan (Senior Statutory Auditor) for and on behalf of R T J Ross

Chartered Accountants and Statutory Auditors 13 Holmview Terrace Omagh Co Tyrone BT79 0AH

20 June 2018

## Auditor's Report to the Members of Rural Housing Association cont'd

## Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board members.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

## Statement of Comprehensive Income for the Year Ended 31 March 2018

	Note	2018 £	Restated <b>2017</b> £

#### 1 Accounting policies

#### Basis of accounting

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared in compliance with FRS102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' and the Statement of Recommended Practice for registered social housing providers (SORP 2014) issued by the National Federation of Housing Associations. The presentation of the financial statements complies with the Registered Housing Associations (Accounting Requirements) Order (Northern Ireland) 1993.

#### Turnover

Turnover comprises rental income, grants and other income.

The Association's rental income is reflected net of income attributable to property rates.

#### **Fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation. Cost of housing properties includes the direct costs of purchase and conversion together with professional fees.

Depreciation has been provided on the Association's Fixed Assets consistent with standard accounting practice at the following rates:

Fixed assets by class	Useful life	Method
Housing property :		
- Main fabric	100 Years	Straight line
<ul> <li>Roof structure &amp; covering</li> </ul>	70 Years	Straight line
<ul> <li>Windows &amp; external doors</li> </ul>	30 Years	Straight line
- Kitchen	20 Years	Straight line
- Bathroom/WCs	30 Years	Straight line
- Heating, ventilation & plumbing	30 Years	Straight line
- Electrics	40 Years	Straight line
Office building	60 Years	Straight line
Computer equipment	3 Years	Straight line
Office furniture & equipment	5 Years	Straight line

The depreciation charge is time apportioned in the month of addition and in the month of disposal.

No depreciation is charged on either property under development or land.

#### Housing Association financing

Capital development expenditure by the Association is financed partially by Housing Association Grant from the Department for Communities and from Private Sector Loan Finance (Mixed Funding). Current (revenue) expenditure associated with the management of the development programme is also supported by Housing Association Grant allowance, which is attributed to the Income and Expenditure account as appropriate. Administration expenditure associated with the management of the Association's property is charged directly against income from lettings.

#### Acquisition and development allowances

The amount of acquisition and development allowances (HAG) allowed by the Department for Communities are attributed to the cost of the property concerned. Credit is taken for allowances for administrative costs (associated with the management of the development programme) in the Statement of Comprehensive Income and a relevant proportion of administrative expenditure is charged against them.

## Government and other grants

Where the cost of properties have been financed by a Housing Association Grant (HAG) paid from the Department for Communities, the grant is recognised in income over the expected useful life of the housing property structure and its individual components on a pro rata basis under the accruals model.

HAG received in respect of revenue expenditure is credited to the income and expenditure account in the same period as the expenditure to which it relates.

To the extent that Housing Association Grant is received in advance of the related expenditure, it has been included in Creditors: falling due within 1 year, to be attributed to appropriate capital and revenue expenditure in future accounting periods.

#### Disposal proceeds fund

The Disposal Proceeds Fund represents the net surplus on property sales together with grant, which has been set aside for the purpose of providing replacement properties in accordance with the Department for Communities regulations.

If the surpluses are not used within two years from their receipt they may be payable in part or in full to the Department for Communities.

#### Retirement benefits

The Association participates in an industry wide defined benefit final salary pension scheme. The underlying assets and liabilities of the scheme attributable to Rural Housing Association have been identified by actuaries. As a result the Association recognises the scheme deficit on the balance sheet at the year end. Actuarial gains and losses and returns on scheme assets are recognised in the statement of comprehensive income. Current and past service costs are recognised within operating surplus and interest on obligations is recognised as other finance costs.

## 2 Turnover, operating costs and operating surplus/(deficit) from social housing activities

The whole of the association's turnover is attributable in the United Kingdom and is derived from the principal activity of social housing.

Needs	activity of social housing.	General	Total		2018	Restated 2017

Adjustments for investments or financing activities:				
(Profit)/loss on sale of tangible fixed assets	132		27	
		132		<u>#</u>
Net cash inflow from operating activities	1	,409,027		1,414,062

## 20 Capital Commitments

At the balance sheet date the Association was contractually committed to capital development expenditure of £1.3m (31.03.17 : £0).

#### 21 Contingent liabilities

There exists a contingent liability on the Association of the possibility of having to repay Housing Association Grant received on properties if any properties are sold. This also includes any grant written off through the implementation of component accounting. The possibility of reimbursement to the Department for Communities of the HAG released on build components replaced is considered to be unlikely as the housing properties are expected to continue to be made available for social housing.

#### 22 Retirement benefits

The Association operates a defined benefit pension scheme for its employees with the assets held separately from those of the company. The scheme provides retirement benefits on the basis of members' average earnings but any member who joined before 31 March 2015 will be based on final salary. The fund is administered by the Northern Ireland Local Government Officers' Superannuation Committee. The funded nature of the Local Government Pension Scheme require the Employer and its employees to pay contributions into the fund, calculated at a level intended to balance the pension liabilities with investment assets.

A full actuarial valuation of the employer's Local Government Pension Scheme funded benefits was carried out at 31 March 2016 by a qualified independent actuary. Adjustments to the valuation at that date have been made based on the following assumptions:

	2018	2017
Pension increases	2.0%	2.0%
Salary increases	3.5%	3.5%
RPI Inflation	3.1%	3.1%
CPI Inflation	2.0%	2.0%
Discount rate	2.6%	2.6%
Pension accounts revaluation rate	2.0%	2.0%

The mortality assumptions are based on the recent actual mortality experience of members within the Fund and allow for expected future mortality improvements. Sample life expectancies at age 65 resulting from these assumptions are shown below:

	2018	2017
	years	years
Males		
Member aged 65 at accounting date	23.3	23.2
Member aged 45 at accounting date	25.5	25.4
